Message from the Vice-Chancellor

Prof. Jai Prakash Saini

Vice-Chancellor

It gives me immense pleasure to announce that the Netaji Subhas University of Technology is commencing MBA admissions from the Session 2019-2020. Netaji Subhas University of Technology has a 36- year-old legacy of excellence in education and technology development. Our vision, at NSUT, is to be a world class university through education, Innovation and research for the service of humanity. We nurture the young and talented brains of our students to make them successful professionals, strong leaders and thoughtful visionaries. The comprehensive curricula of our university are designed with an international perspective giving multiple opportunities to the students for their holistic development. The MBA programme curriculum is designed to offer various specialisations courses in marketing, finance, human resource, information technology, operations and supply chain, and business analytics to the students. The curriculum is designed keeping in mind the emerging challenges of business environment and society.

The diverse extra-curricular activities and the various student societies make learning a joyous experience for our students. We are focused and committed towards empowering our students with the knowledge and skills that let them open their wings and fly high. The vast group of recruiters visiting our campus and the placement statistics of our university highlight the careful technological and comprehensive grooming that our students receive during their stay at NSUT.

I would like to assure you that becoming a part of the NSUT student fraternity will help you shape your academic future in a very fruitful way. I hope that this admission brochure shall provide all the needful information about admission procedures, and other related academic activities. I send my best wishes to the candidates applying for admission to the Netaji Subhas University.

ABOUT UNIVERSITY

Netaji Subhas University of Technology (NSUT) is a centre of higher technical education in India. NSUT (formerly Netaji Subhas Institute of Technology (NSIT)) was an autonomous Institution under Govt. of NCT of Delhi and affiliated to University of Delhi. It was established in the year 1983 as Delhi Institute of Technology with the objective of meeting the growing demands of manpower in the emerging fields of engineering and technology with a close social and industrial interface. Over a period of time, the institute has carved a niche for itself, both nationally and internationally, for excellence in technical education and research.

The University has grown by leaps and bounds since its inception, both in size and in the scope of its activities. The overall academic environment in the University is highly conducive for achieving excellence in higher education and research. It has been consistently ranked as one of the top engineering colleges in India and has featured prominently in various national level surveys conducted by reputed professional and trade magazines.

NSUT, (erstwhile NSIT) has the legacy of achieving excellence in education and research in the area of Engineering and Technology. Apart from being instrumental in providing quality education and research in various areas, it also hosts a spectrum of established companies for its internship and placement drives. With this legacy, NSUT further strives to broaden its

education areas by introducing various programmes at UG and PG levels to impart knowledge in the area of business administration in the Department of Management Studies.

Currently NSUT offers Bachelor of Engineering, Master of Technology and Ph.D. programmes and it proposes to start management programme at UG, PG and PhD level.

NSUT INCUBATION AND INNOVATION FOUNDATION (NSUT-IIF)

NSUT IIF provides a host of support services to start-ups, organize selection of newer incubatees. Some of the startups incubated by NSUT IIF are Readers Crib, an e-commerce marketplace for renting of books; CacheFi, linux smart routers powerful enough to run multiple applications; Triposse, a tech aggregator for bespoke group travel services. Newer startups in the area of low-cost technology & best harvesting practices for horticulture crops farmers community, Smart mechanization for small farmers, making roads safer using in-car technology to make driving better and monitored for drivers, authorities, as well as other third parties, machine learning startups to get the best price from all major online stores in India, and compare it with the offline stores and Stories Worth Sharing for teenagers and adults are in the process of financing.

NSUT has a mix of subject matter experts and management focused faculty members along with motivated students, technical societies and an alumni network to operationalize innovation and startup activities. Various societies at NSUT like IEEE, SAE, ISA, CSI, and C.E.D.T. Lab at NSUT have helped students learn skills to develop projects.

DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies at NSUT (formerly NSIT) was established in the year 2006. The primary objectives of this is to impart broad based knowledge in the field of management practices and their applications in addressing the challenges of the emerging global business environment and society. The department is committed to sharpen managerial, communication and leadership skills with emphasis on professional ethics among students.

Currently the Department of Management Studies offers elective courses in diverse domain of management such as project management, financial management, entrepreneurship, human resource development etc. to engineering UG and PG students at NSUT. The department intends to introduce Bachelor of Business Administration (BBA), Master of Business Administration (MBA), and Ph.D. programmes from the academic session commencing from July, 2019.
